## How to Organise a Firework Display

---

### **So you want to host a fireworks display?**

Many people think it is complicated or too hard to organise a fireworks display, this is not the case with the planning and industry expertise at Mr Boom Boom Fireworks.

### **Basic Steps**

- Decide a date and time, make sure there are no other significant events on at the same time.
- Decide on a venue – an open space like a showground would be ideal.
- Call Mr Boom Boom Fireworks to arrange a meeting on site.
- Decide on size and type of display.
- Confirm and book display.
- Get written approval from Council and land owner to hold the display.
